

EMERGENCY PREPAREDNESS KIT

During most serious emergencies, families may need to be self-reliant for about three days. Using the checklist that follows put together an “emergency preparedness kit” with supplies for each member of your family.

What You Will Need

- Flashlight with fresh batteries
- Portable radio with fresh batteries
- 3-day supply of medication (if necessary)
- Bottled water
- Non-perishable canned goods/can opener
- Baby food/diapers, etc. (if necessary)
- Basic first-aid supplies
- Bottle and can opener
- Fire extinguisher
- Hygiene products
- Change of clothes
- Pet food
- Blanket or sleeping bag
- Money
